You can take the flowers with you following worship.

Technical and Connections Team Volunteers Needed

Each week when we gather for worship, it takes a village of people to make the service happen. From parking lot guards, entry greeters, hospitality prep, sound and video operators and worship setup, we would love to get you connected to a ministry team as we start this new season. Contact Andy or Carolyn for more information. You can find their email on the back page of the bulletin.
